## Get Armoured against pests!

The problem of pests in your home, workplace, showroom, factory or institution is one that you cannot wish away. Pests have always been around, they always will be, and they do not give up without a fight. That's why you can now rely on protection from pests, in the form of Armour.

Armour Pest Control India Pvt. Ltd. was established to safeguard your health and valuable property. Pests do considerable damage, they lead to unhygienic conditions, and they show you in a bad light. In an age in which appearance is everything, you cannot afford to let this happen. So call in the experts: Armour.

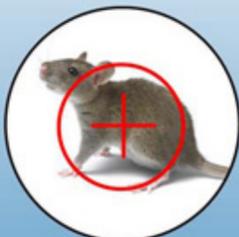

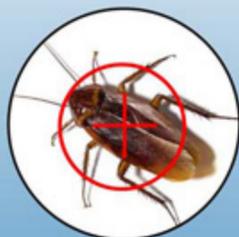

## PEST CONTROL FOR

■ HOME ■ WORKPLACE ■ SHOWROOM ■ FACTORY ■ INSTITUTION

## Pest Management at its best!

Cockroaches, termites, rodents, flying insects, even birds...Armour possesses the experience, technical and infrastructural skills to help you get them out and keep them out. Our highly trained pest management team will assess the situation, determine the appropriate remedy and then reliably execute it to your complete satisfaction.

The pesticides and insecticides we use are all approved by public health standards, and care is taken to ensure that your environs and the environment are minimally impacted. We endeavour to work as unobtrusively as possible, preferably when you are away or on holiday.
